SiteManager Information:

Start with http://www.in.gov/indot/2358.htm

"Doing Business with INDOT"

Doing Business with INDOT ▼

In that dropdown choose "Contractors"

Contractors

Then scroll to the bottom of that page and you will see "INDOT Application Help"

Application Support:

If you have questions regarding an INDOT application or need to report a technical issue associated with an application, please click the link below:

- INDOT Application HELP

That will open the "INDOT Technology Helpdesk", and you will want to choose Scenario 1

INDOT Technology Helpdesk

Your first and only stop for all IT and Communications Technology Support.
Please read the four scenarios below and select the one that best describes your
request. Follow the simple steps in the scenario and support will be quickly on its way to
getting you back working as soon as possible.

How To Business_____

Scenario 1 - Need "How To" Assistance, Instruction or Training
If it is not a technical problem but instead a question on how to use the application:
- Contact the Application Business owner from this list.

Contact the Application Business owner from this list

- Contact the Application Business owner from this list.
